v.

JOSHUA IDLEFONSO VILLALOBOS (001)

LAWRENCE S MATTHEW
TERRY LYNN LOVETT BUBLIK

CAPITAL CASE MANAGER

RULING

The Court has considered the State's Motion for Protective Order filed May 4, 2016 and the Response to State's Motion for a Protective Order filed May 6, 2016. In the motion, the State seeks a protective order for documents disclosed to defense counsel and Bate stamped Hubert 0001-0011, Polk 0001-0007 and Mough-Osvold 0001-0011, citing Rules 15.4(d) and 15, *Arizona Rules of Criminal Procedure*. The State contends these documents contain personal and sensitive material relating to witnesses.

Defendant objects to the proposed order submitted by the State on the ground it is too broad and suggests more limited language for the court's order. Defendant argues that his attorneys cannot comply with their professional obligations if the language proposed by the State is ordered.

The Court finds a protective order is appropriate for these records. The Court agrees with the defendant that the State's proposed protective order should be more narrowly written. Accordingly,

IT IS ORDERED granting the State's Motion for Protective Order.

These documents may be retained by defense counsel for successor counsel, not to be disseminated to the public by successor counsel or anyone authorized to view these materials by the defendant's attorneys. Defendant's attorneys must inform all individuals viewing these materials about this protective order. Defendant's attorneys shall keep a log of any copy of any document made and provided to others.
